Prioritizing Patient Safety: Reducing Risk
through Closed Claim Analysis
Speaker - Richard Small, JD

Theory to Practice Objectives:

- List policies and protocols recommended in CDC Infection Control Survey Checklist
- Understand the inspection process for infection control compliance
- List methods to protect patients and staff
- Prepare a post-exposure protocol
- Recognize employer and employee compliance responsibilities

Prioritizing Patient Safety Objectives:

- Apply clinical risk management strategies to improve patient safety, mitigate associated risk factors, and reduce untoward outcomes and malpractice claims
- Implement strategies to help prevent failure to diagnose allegations
- Recognize the potential effect technology and applied risk management can have on mitigating and managing nerve injury

The Maritime Conference Center is located at
692 Maritime Blvd, Linthicum Heights, MD 21090 in buildings 1 and 2.
